At Home Practice

- Required: Students need to practice no less than 150 minutes per week (VB, Prep), 180 minutes per week (JV), 220 minutes per week (Varsity).
- Students will be required to turn in practice cards each Monday.

Music Appreciation:

- Concert attendance is mandatory. Should a student become ill or not able to attend, he/she should try to email Mr. Garcia prior to the performance, if possible. The student is then responsible for making an appointment with Mr. Garcia to take the concert test. Excessive tardiness and/or absences may result in limited student participation in the concert. Concert and rehearsal attendance is a major factor when considering student placement in future Brandeis Orchestra ensembles.
